U. S. and Britain Will Have Paralyzing Preponderance of Mobile Wealth.

CAN SHAPE WORLD POLICY

Plans for Reducing Armies, Balancing Budgets and Restoring Trade.

Special Cable to THE NEW YORK HERALD. Copyright, 1922, by THE NEW YORK HERALD New York Herald Bureau, London, April 5.

On the eve of the Genoa conference Great Britain has made the first open diplomatic move toward a new entente-an Anglo-American understanding based upon a common economic conception of the world's future. That is the interpretation placed upon Great Britain's note to the Allies, warning them that she reserves dents owing her. In diplomatic quaradvisers view America's final decision Assistant United States Attorney.

The United States and Great Britain, within a definite number of used in the present instance, an en- Peters of Los Angeles. eption of the world's future so guiding American and British policies as to make a formal alliance unnecessary. These two nations will possess paralyzing preponderance of the world's mobile wealth, without which fighting ships and fighting armies

## Points World Prosperity.

The policy they will press, as emconference and the records of Congress and Parliament, will be the reduction of armed forces, the balancing of income with expenditure, the defiation of currencles, the restoration of trade, industry, saving and taxing "back to normalcy." Furthermore, Great Britain's reminder to the Allies is not based upon any "hands across the sea" sentiment but upon the hand the records of Congress in a conference looking to any "hands across the sea" sentiment but upon the hand the records of Congress and Hard and Illinois only, omitting western Pennsylvania and southern 0hio. The company with many bettitive position of the eastern Ohio, Indiana and Illinois only, omitting western Pennsylvania and southern 0hio. The company and to insinuate into its of the navy and devotion to their point of the eastern Ohio, Indiana and Illinois only, omitting western Pennsylvania and southern 0hio. The company and to insinuate into its of the navy and to insinuate into its of the navy and devotion to the singing of a hymn or anthem at this point. Another proposed change would strike of their joining in with Indiana and Illinois only, omitting western Pennsylvania and southern 0hio. The company and to insinuate into its of the navy and to insinuate into its of the navy and devotion to the importance of the safern Ohio operators is what stands in the way of their joining in with Indiana and Illinois only, omitting western Pennsylvania and southern 0hio. The company and to insinuate into its of the navy and devotion to the singing of a hymn or anthem at this point.

Matthews and Bonewitz X. come the world's only two creditor Dawson of New York city; Walter S. nations. In the language of post- Clarke of Boston, Ernest S. Phillips war diplomacy, or at least in the sense of Kansas City. Mo., and Dixle L.

To carry on a gigantic stock selling campaign, the Century Consolidated Oil Company was formed as the result of a merger with five oil companies, accord-ing to Mr. Mattuck, who said that soon after the consolidation two of the conerns were petitioned into bankruptey The indictment explains that Mrs. But-ler and Phillips, while on the executive committee of the Century Consolidated, organized the Acme Finance Corpora-

tion with the aid of Peters, Clarke and

any "hands across the sea" sentiment but upon the hard, cold fact that the American Commission authorized to take up the funding of allied loans will deal first with Great Britain.

Great Britain is ready for the deal: It expects to fund the entire \$4,500,000 debt to the United States in bonds, with a definite and fair rate of interest and a definite and fair rate of interest and a definite and fair sinking fund, adequate provision for which will be made in the British budget for the next and ensuing years.

These tock selling representations were grossily deceptive according to evidence grossily deceptive according to evidence more, that is known as No. 8 seam, in Bel-most, Harrison and Jefferson counties. This is the same vein operated by west-ritory with settled production of 160 into much the same markets and each load dourteen more drilling. The indictment further explains that the Century Consolidated had only for the companies in the lands of relative to the Grand Jury by Mr. Mattuck, the claim being made by the production of 160 into producing wells and fourteen more drilling. The indictment further explains that the Century Consolidated had only for the control of the control of

## Well Claims Declared False.

"The investigation," said Mr. Mattuck. 'showed that the oil properties claimed to have been acquired in Kentucky and Illinols with ninety-four wells producing a profit of \$500,000 annually, were not cwned by the Century Consolidated Oil

change on New York, as compared with any other allied rate, one authority declared to-day that it was the truest measure of the potentiality of any other debtor country settling its obligations and entering the creditor class with Great Britain and the United States. Hence it was that the officials of the Treasury here to-day insisted that the memorandum to the Allien was not a demand for interest payment but a warning that payment could be demanded when the three year interest postponement expires on April 15.

Therefore Mr. Lloyd George will go to Genoa with two powerful weapons in his hands. The first, that no real economic reconstruction is possible in Baurope without the United States; and the United States has laid down definite conditions which Great Britain has accepted in practice as well as promise. With the United States absent from Genoa Mr. Lloyd George probably can play the necessity of American cooperation harder than he could were America, refusal is not keen. His second weapon is that no real economic restoration of Europe is possible of the Morod, and the stock in the original companies reliable fast pling up."

Edward A. Schwab, until recently a restoration of Europe is possible of the Morod, made the investigate of the World, made the investigate of the Morod.

Edward A. Schwab, until recently a Fost Office inspector and now a special investigator for the National Vigilance Committee of the Associated Advert'sing Clubs of the World, made the investigation which resulted in the mail fraud

indictment.
